

SUMMARY

I'm a versatile editor with a wide range of experience, from independent authors to publishers to corporations of all sizes. My clients appreciate my sharp memory, eye for detail, consistency, flexibility, and excellent ear for prose. I always strive to protect an author's voice while ensuring that the audience has a smooth and enjoyable reading experience.

PROFESSIONAL EXPERIENCE

Freelance editor (2011–present)

Ensure quality of final document, collaborate closely with clients, and advise first-time independent authors through the self-publishing process.

Authors and publishers:

- Edit print and digital fiction and nonfiction manuscripts for publishers and authors according to the *Chicago Manual of Style* and in-house style guides.
- Focus on developmental editing, line editing, copyediting, and fact checking.
- Ghostwrite content, including novels.
- Provide style sheet with developmental memo when appropriate.
- Convert final manuscripts for publishing as ebooks on Kindle, Nook, Apple, Google, Kobo, and generic EPUB.
- Clients: Catt Editing, Tanstaafl Press, and independent authors.
- Specialties: YA fiction, fiction, fantasy, self-help, first-time authors, and memoirs.

Corporate clients:

- Review wide range of consumer-facing materials (proposals, workbooks, products, web copy, blogs) for professional clients, ranging from architectural companies to spiritual advisors.
- Edit according to *The Chicago Manual of Style*, *New Hart's Rules*, or *The Associated Press Stylebook*, as well as in-house style guides, specialty-specific terminology, and client preferences.

Senior editor, Cambia Health Solutions (2010–present)

- Write original content and serve as quality assurance editor for content, brand, style, voice, and messaging accuracy for all materials produced by the Marketing department's Creative Studio.
- Create, update, and edit materials, both print and online, for employer group purchasers, 3.1 million members, and brokers for Cambia's six health plans and other subsidiaries.
- Perform version control for six brands and countless products over four states, explaining insurance and health-related features to all kinds of audiences.
- Protect brands by enforcing style, logo-usage, co-branding, and design rules; provide final check and approval prior to printing or posting of materials; and train new writers.
- Collaborate closely with graphic designers.
- Serve as contributing editor to company's brand style guides.

Creative services writer II, Cambia Health Solutions (2007–2010)

- Served as communications lead over multiple, simultaneous projects; coordinated interdepartmentally with executives and staff to determine and refine content of sales, post-sales, and strategic communications.
- Managed production of many publications, including planning, scheduling, writing, and editing text; coordinating review; working with graphic artists and UX team; and overseeing design.
- Interpreted, planned, developed, and executed communications plans, strategy, and brand messaging.
